I AM CHARITHA THAPATTA

SUMMARY

I am an ambitious, adaptable, and self-motivated software developer with strong skills in Java, SQL, HTML, CSS, JavaScript, React.js, and Spring Boot. I am reliable, organized, and quick to learn new technologies, with the ability to work independently or as part of a team. I communicate clearly, handle tasks responsibly, and stay focused on delivering high-quality results while continuously improving my technical and professional skills.

WORK EXPERIENCE

Pirnav Software Solutions – Associate Software Engineer May 2025 - Present

- Built and optimized a **React-based front-end application** using Hooks, reusable components, and React Router.
- Implemented **responsive, cross-browser UI** with modern CSS (Flexbox/Grid) ensuring consistent UX.
- Integrated **REST APIs** for dynamic content, authentication, and real-time state updates.
- Enhanced **user experience and performance** with UI optimizations, validations, loaders, and copy-to-clipboard features.
- Debugged and resolved **UI, API, and state management issues**, improving stability and reliability.

INTERNSHIP

Full Stack Web Development Intern — KodNest Technologies, Bengaluru.
Aug 2024 – Mar 2025

- Completed full-stack training in Java, SQL, HTML, CSS, JavaScript, React.js (Basics), and Spring Boot with hands-on project experience.
- Built responsive UIs, developed backend features, and performed testing/debugging to improve application performance.
- Worked on real-time projects, improving team work, problem-solving, communication, and overall full-stack understanding.

CERTIFICATIONS

Full Stack Development – 8-month comprehensive program covering frontend and backend technologies

EDUCATION

- **B. Tech |** (CSE)|Annamacharya Institute Of Technology and Sciences Tirupathi, Andhra Pradesh | 2024

AREA OF EXPERTISE

- React.js & responsive UI development
- REST API integration & state management
- Java & Spring Boot backend development
- SQL/MySQL database handling
- Git-based version control & debugging
